

A Wisconsin Store

Wild Bunch Catering is in process of developing a retail store where customers can purchase on-line or come to our new store for meats, cheeses, curds, pickled delights, jams, jellies, desserts and other fresh, frozen or shelf stable items from the Great State of Wisconsin. Occasionally we may throw in-store Tailgate parties throughout the year to enjoy other Midwestern traditions, sports and all things that make the Midwest so wonderful.

Watch for complimentary samplings of our product line and yes, which should include beer and wine.

The first location will be next to our commissary that is easily accessible in North Central Phoenix. A Wisconsin Store is co-located inside Wild Bunch Grab & Go hooking you up with hot, delicious food you can...
